From our CEO

“SmartTRAK has become an integral resource for some of the largest medical device companies. Used by the top 10 Orthopedic / Spine manufacturers, SmartTRAK networks an entire organization with real-time data and insightful analysis.”

– Sharon O’Reilly, Founder and CEO of BioMedGPS

Client Testimonials

“I like SmartTRAK because every morning I get up and turn on the computer and I’ve got my dashboard right there, essentially telling me what’s new in the space; who’s doing what, what new clinical studies are being conducted, and where the focus may or may not be shifting. It also helps me identify new opportunities in which we can potentially expand our business.”

– Scott Brown, Director Strategic New Market Development, Integra LifeSciences

“Every Monday, I watch my weekly Updates populate in my email. It keeps me up-to-date on the market, market trends, competitors and their activities. I can’t live without it.”

– Tyler Trapani Product Manager
