

3pp[®] Arch Lift[™]

The 3pp[®] Arch Lift[™] is designed to lift and support the arch to relieve pain from Plantar Fasciitis, flat foot, heel spurs and metatarsalgia.

Features

- Soft, foam-lined strap will not slip or roll.
- The Arch Lift is thin enough to be worn in shoes or at night for relief.
- Sewn-in arch pad contours to the foot to support flat foot or “fallen arches”. Removable metatarsal pad can be added to relieve metatarsalgia (pain in the ball of the foot).
- Force adjustment strap allows the wearer to control how much force is applied to relieve pain from flat foot or Plantar Fasciitis.
- Hand or machine wash and air dry. Latex-free.
- Product Number P5008. One size fits most. Fits both left and right foot.
