

FS6 Foot Compression Sleeve

This comfortable, form-fitting knitted foot sleeve employs gradient compression zones to support the foot and ankle. The FS6 Compression Foot Sleeve provides relief for pain from Plantar Fasciitis, Achilles Tendonitis, Heel Spurs and promotes improved circulation and edema control.

Features

- Carefully knitted with six zones of graduated compression to support the foot and ankle while boosting circulation for healing.
- The FS6 Compression Foot Sleeve molds to the foot to relieve pain from Plantar Fasciitis, Heel Spurs and Achilles Tendinosis without adding bulky wraps.
- Variable compression helps reduce swelling and inflammation day and/or night.
- Breathable fabric makes it comfortable for all day wear under most any type of foot wear.
- Comes with two (2) foot sleeves per package.

Order Information

Measure around your arch to find the best size.
