

Protexgloves 3/4 Finger Elle

Protexgloves 3/4 Finger Elle Grip elbow length gloves provide lightweight support and protection from fingertip to elbow for patients with Arthritis, Eczema and other skin conditions, Ehlers Danlos Syndrome, Neuropathy and more.

Features

- Distinctive elbow length gloves extend comfort and protection from fingertip to elbow
- The 3/4 Elle Grip gloves offer excellent skin and 50+ UPF sun protection for those with Scleroderma, Burns, EDS and for protection of surgical sites or skin grafts
- Flexible silicone grip ovals provide sure-handed, non-slip holding power
- 3/4 inch length fingers with lightweight material eliminate bunching in the web space
- Water resistant high tech sport fabric wicks away moisture
- Sold one pair (two gloves) per package

Order Information

Measure length from tip of middle finger to distal wrist crease and width across the MP joints.

Size	Length	Width
