Subject: S-51700/51750-( ), Model AV-35G Life Preserver, Minor Change Request

Dear Mr. Socias,

The life preserver drawing S-51700/51750-( ) has had a minor change to it. Revision J and this letter are being submitted to bring our records up to date.

Revision J, dated 5/10, provides a more secure method for holding the life preserver battery using a 1 inch wide elastic strap. Prior to this change, the battery was secured in a sleeve made from life preserver material.

This change should be considered minor as it does not have any effect on form, fit, or function. Should you have any questions regarding this application, please don't hesitate to contact us.

Best Regards,
