

## FIREWORKS SAFETY

*It Is That Time of Year Again*

Estimated Fireworks-Related, Emergency Department-Treated Injuries  
2001–2016

Source: NEISS, U.S. Consumer Product Safety Commission.

We all enjoy celebrating the birthday of our country—July 4. Time with family and friends, good food, and the fireworks.

Don't let the good times be ruined with an injury.

On average, 250 people go to the emergency room every day with fireworks-related injuries in the month around the July 4th holiday.
