

IMPROVED OSHA REGULATION TOOL

Redesigned OSHA Regulations Webpage Provides Easier Navigation

OSHA redesigned the Law and Regulations webpage that features information on standards and rulemaking. Users can now search standards by:

- Keyword
- Regulation number
- Reference to a list of key resources
- Viewing the latest updates on active rulemaking

The page also features information buttons to explain regulatory language that may be unfamiliar to some users.

Visit the revised page at www.osha.gov/law-regs.html
