

Coronavirus (COVID-19) Resources

Be Informed and Prepared

As Coronavirus cases continue to climb, additional information and policy updates emerge. The level of COVID-19 activity varies in different areas of the country. Employers should monitor local, State, and Federal guidance for changes. Below are a few links to Government and business association's resources for COVID-19.

The Centers for Disease Control (CDC) has established COVID-19 protection tips that include, but are not limited to:

- Frequent hand washing with soap and water for twenty seconds or hand sanitizer
- Avoid touching your eyes, nose, and mouth.
- Avoid close contact with people who are sick. Maintain a distance of six feet.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash. Cough or sneeze into the "crook of your arm" if a tissue is not available.
- Frequently clean and disinfect commonly touched objects and surfaces.

Additional COVID-19 protection tips and other COVID-19 information can be found at the Center for Disease Controls website at: <https://www.cdc.gov/coronavirus>.

- The Associated General Contractors of America (AGC) has some safety resources for construction employers posted on their website at: <https://www.agc.org/>.
- A global map of the COVID-19 cases can be found at John Hopkins Coronavirus Resource Center website at: <https://coronavirus.jhu.edu/>.
- ORCIG's third-party claims administrator, Gallagher Bassett, has a webpage dedicated to COVID-19 and provides resources for injury reporting and information at: <https://links.gallagherbassett.com/en-us/covid-19-resource-center>.
- Federal OSHA has a webpage for employers regarding COVID-19 safety topics at: <https://www.osha.gov/SLTC/covid-19/>.
- The World Health Organization has resources on COVID19 at: <https://www.who.int/emergencies/diseases/novel-coronavirus-2019>.

Please contact your ORCIG Safety Specialist if you have any safety or insurance-related questions regarding Coronavirus.
