Sponsor Proposal

The Charles River Watershed Association is pleased to host the 37th Annual ***Run of the Charles Canoe and Kayak Race*** along the banks of the Charles with a River Festival at Herter Park featuring:

- Live Music
- Beer Garden
- Picnic
- River Games
- Family Canoe Races
- Raffle prizes
- And much more!

Charles River Watershed Association believes in celebrating recreation on the river and bringing families and friends together to create future stewards of the watershed.

Although *Run of the Charles* provides a lot of fun and a great excuse to spend a (*usually*) beautiful April day outdoors on the water, it also highlights how water quality improvements and clean-up efforts during the past few decades have transformed the formerly-filthy Charles into a gorgeous recreation area.

Run of the Charles is sponsored by the Charles River Watershed Association (CRWA), a driving force behind the Charles River transformation from a polluted river to one of Boston's crucial resources.

Run of the Charles Race Course

Races begin in a variety of locations in Dedham, Newton, and Brighton, and Cambridge depending on the length, and all will finish at

Herter/Artesani Park in Brighton.

The kayak and canoe races include:

- 14-mile Relay Race
- 12-mile races
- 6-mile races
- 3-mile races

The 37th anniversary of the *Run of the Charles Canoe & Kayak Race* celebrates the Charles River Watershed Association's 50 years of improvements to the health, beauty and enjoyment of the Charles River and its tributaries.

All races finish at DCR's Artesani Park on Soldiers Field Road in Brighton where race fans and families gather to enjoy free admission to a day of music, refreshments, exhibits, raffle drawings, picnics and awards at RiverFest.

Over 1,200 canoe and kayak enthusiasts, professional, amateur, and recreational, from throughout the US and Canada, ages 12 and up, compete in a variety of races, including the 14-Mile Relay Race, and 12-, 6-, and 3-mile amateur races.

2,000+ spectators line the riverbanks to watch the Run of the Charles.

Sponsoring Run of the Charles can help you:

Meet your marketing goals and reach a larger audience through the 2,000+ boaters, outdoor enthusiasts, and watershed supporters who subscribe to the CRWA newsletter, website news, and social media.

Our past sponsors include (among others):

- Boston Duck Tours
- LL Bean
- Dick's Sporting Goods
- Kind LLC
- Costco
- BR+A
- ESP Solutions
- CDM Smith
- New England BioLabs
- Charles River Apparel
- Paddle Boston
- among many others

Riverfest provides opportunities for corporate hospitality and our races provide employee team-building challenges.

By extending your support, you are also improving the quality of life in the community in which you do business; your participation shows your commitment to protecting and preserving the environment around us. All sponsors will have access to volunteer opportunities. Engage with children and families from underserved communities for a day of learning to canoe and fish. By including this cross-programming, we hope to invest in future stewards of the Charles River and open up the race to participants who may not be competitive but would be interested giving back to our community. These opportunities will be scheduled throughout the day in shifts that participants can sign up for.
