PROTECTING, PRESERVING AND ENHANCING THE CHARLES RIVER AND ITS WATERSHED THROUGH SCIENCE, ADVOCACY AND THE LAW

Charles River Watershed Association

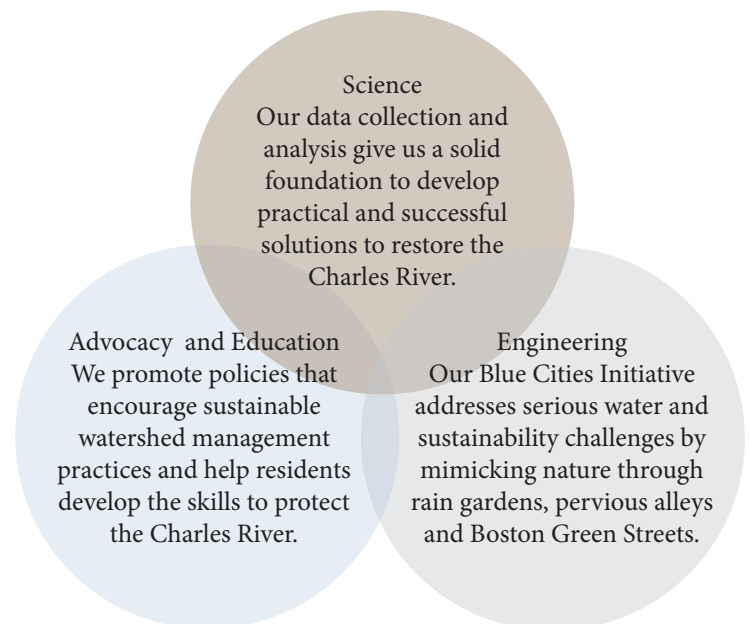

The Charles River is more than just a river. It is where you learned to sail, the docks where you escape to read, the trails you jog or walk your dog, the view you enjoy from your office, train or car.

The Charles River is cleaner than it was decades ago, but new challenges loom. Climate change is bringing heavier rainstorms interspersed with more frequent droughts, worsening water quality. In the face of these new threats, CRWA's innovative science, engineering, advocacy and education are needed more than ever.

You understand the importance the Charles River for our community as a cultural and natural resource, and the need for CRWA's science and advocacy on behalf of the river. We thank you for supporting our work.

SEVENTH CHAMPIONS OF THE CHARLES

CELEBRATING A COMMITMENT TO THE ENVIRONMENT

www.charlesriver.org/champions

Thursday, September 19, 2019 6:30 - 9:00 PM
Washburn Pavilion at the Museum of Science
Boston, MA

Join CRWA for an elegant, fun-filled evening to raise money to protect the Charles River for wildlife, recreation and future generations. On the banks of the Charles River, 200-300 guests will enjoy a magical evening honoring Boston City Councilor Michelle Wu and WBUR for their commitment to the environment.

We invite you to "champion" the Charles as a lead sponsor of this event to support CRWA's continued work in science, engineering, advocacy and education. Please find a list of sponsorship levels and benefits enclosed.
