

## Big revenue cycle goals?

We'll help you meet them. Even exceed them.

Keep providing excellent patient care, managing resources and staying ahead of regulatory changes and shifts in patient behavior. While you handle all that, we'll focus on improving your revenue cycle performance and your patients' financial experience.

## RESULTS

Net collection rate

Increase in cash collections  
over 3 years

Liquidation of aged insurance  
accounts in 16 months

These are real results for real hospitals, physician groups and health systems. We're happy to share the engagement parameters. You'll find transparent reporting and kept promises. *Trust is earned. We get it.*

## Revenue cycle is all we do

What's going on in your business office? There's no better place to start. We simply ask good questions to understand your needs and what lies ahead, and we grow into a partnership where common goals, honesty and respect are each a given. *And then, we do the hard work.*

Our KLAS #2 ranking in Extended Business Office for the fifth consecutive year continues to represent the voice of those who partner with us in exceeding financial performance and patient experience goals. This ranking means we have stood the test of time, but perhaps more importantly—the test of change.

# What you can expect when your patients are at the center of everything we do.

## The high-level low-down on partnering with MediRevv

We like patients. Your patients, in particular. Most of all, we like making their financial journey with your organization positive and even progressive. Since we once sat in your seat, walked in your shoes, wore your hat, getting on the same page with you is the easy part. Take a walk around the circle. You'll find all of the elements of a successful revenue cycle partnership, all encompassed by our promise that **everything we do is based on the right balance between partners, people and performance.**

Let's kickstart your revenue cycle performance together: boost your cash, improve your profitability, and create a positive patient financial experience.
