

# Garage Sale Safety

COVID-19 doesn't have to ruin your garage sale plans.

Use these safety guidelines to create a safe space for shopping.

## Set up tables 6 feet apart

- Group similar items together, placed on tables or racks six feet apart
- Use all available space: garage, driveway and yard to spread out

### CAUTION

## Provide shoppers with direction

- Use things like flagging or caution tape to organize the flow of foot traffic
- Use signs to remind shoppers to keep social distance

## Clean frequently touched items

- Wipe down every item with cleaner and clean throughout the day
- Provide cleaner and hand sanitizer as a courtesy to your customers

## Use hands free mobile payment options

- Download a few of the most popular Mobile Payment apps to your phone so you don't have to handle cash
- Most Mobile Payment apps are free to use and money can be accessed within a few business days.
