AutoX™ Tool

- Hy-Ko is the only company that has many years of OBD tool experience in Retail stores
  - Hy-Ko started the first Retail OBD programming tool for keys in 2005

- New Hy-Ko AutoX™ is J2534 compliant – this is an OBD world-wide communications standard used by almost all vehicle manufacturers

- The AutoX™ includes:
  - Bluetooth tablet
  - Universal cable for easy plug into device

- Downloaded updates from the Hy-KoKeys.com cloud
  - 20 updates have already been completed to enhance associate ease of use
  - Software shows images of the location of the OBD port in each vehicle

- 7-Day a week remote tech support

- Special order keys add over 500 X-Keys with no inventory investment

Features & Benefits

- **Retailer friendly** - More associates will have the confidence to sell & service high-end ChipKey® vehicle keys.

- **Updates via Hykokeys Cloud Software** - Convenient way for the program to stay up-to-date via the cloud.

- **Add-on vehicle modules easily** - Retailer can grow their OBD business.

- **Meets consumers' high-end demands**

From the simple, cloneable ChipKey® vehicle key to the programming of advanced Prox Keys…

Hy-Ko has the ability to cover all of your consumers' key needs.
