

COMMUNITY CHANGE FESTIVAL

SEPT 30 - OCT 3, 2019 • VANCOUVER, CANADA

The Community Change Festival is a 3.5 day learning and celebration event designed to equip you with the latest thinking, practical tools, insights and knowledge needed to make a lasting impact in your community. With learning opportunities exploring each of the five interconnected practices, you will be able to customize your learning scheduled to build your skills development needs

RATES:

\$995 per person

\$945 per person for groups of 2-4

\$895 per person for groups of 5+

WHAT YOU'LL GET...

- Dive deeply into **intensive workshops and tools sessions** devoted to building your skill set in one or more of interconnected practices. Focus on a single practice area or explore multiple practices in planning your learning journey
- Explore Vancouver and engage with changemakers in **immersive learning experiences** showcasing community impact
- Be inspired by **provocative panels of local experts, Ashoka Fellows and designer George Aye** on the art and science of changemaking from the lenses of dismantling power and privilege
- Deepen your leadership practice by participating in an **advance learning stream focused on Systems Change**
- Grow your **peer network** as we gather leaders from Canada, the US, Australia and beyond
- Experience **ongoing learning** before, during and after the Community Change Festival through published papers, tools, resources and webinars
