

LIBERTY CHRISTIAN SCHOOL

2018-2019 Dress Code for Liberty Christian School

The purpose of Christian education is to encourage students to glorify God in all areas of their lives. Though the outward appearance is not as important as the condition of the child's heart, it is a reflection of how one views himself/herself and demonstrates their self-discipline to adhere to the rules. The student's dress is a personal and parental responsibility. It is imperative that the established dress code of the school be accepted and enforced consistently by the parents. We expect that all clothing will be neat, clean and in good repair. Students dressed inappropriately will not be allowed to attend class and parents will be called immediately.
