

LIBERTY CHRISTIAN SCHOOL

The following forms require some action on your part and possibly from your physician. They must be returned to school **prior** to your child's attendance of school. We understand there may be extenuating circumstances that may interfere with this deadline, therefore, Liberty Christian School will offer a 20 day grace period from the first day of school (**with the exception of emergency medications and related forms such as inhalers & epi-pens. All emergency meds/forms must be to the school nurse PRIOR to the first day of school**). If at that time all paperwork is not received, your child will not be allowed to attend classes. **PLAN DOCTOR APPOINTMENTS EARLY.**

- Emergency Form (**All students, 1/child/new each year**)
- Health Release (**All Students, 1/ child/new each year**)
