

SuperSync Wayfair to NetSuite Integration

Use the SuperSync Wayfair > NetSuite connector to streamline the transfer of orders from Wayfair to NetSuite, push tracking information back to Wayfair, and sync inventory between the two systems.

Wayfair has become one of the largest marketplaces for products and the SuperSync connector makes it easy to get all your Wayfair orders synced swiftly and easily to NetSuite. This enables faster fulfillment times and immediate availability of these orders within the ERP system for processing.
