

**3 THINGS THAT MAKE
FOR THE COOK DIFFERENCE**

**5-YEAR
FIX-IT-ALL
WARRANTY**

THE COOK DIFFERENCE

We pride ourselves on The Cook Difference. It's the components that ensure your Cook building will far exceed any other in quality and value. At Cook, we strive to go above and beyond for each and every customer.

We work hard to construct the best quality buildings made of materials that will last the test of time. Our helpful staff makes it easy to find the right building for you and have it delivered without any hassle. Cook also guarantees our structures with warranties and price guarantees to ensure peace of mind to our customers. The following are three of the biggest things that set us apart from the competition.

www.CookPortableWarehouses.com

QUALITY

Every Cook building is constructed with unique features that will help your building last and reduce wear and tear.

Durable Floor Systems

Our floor systems are built entirely from pressure treated materials that prevent fungal decay and termite damage, even when the building is set directly on the ground. The use of notched floor skids and pulling blocks allow for easy portability of the building without risking damage to the structure.

Smart Roof Design

Our smart roof design includes fiberglass shingles and OSB decking protected by a vinyl drip edge to keep your stuff safe and dry, while a vented roof protects your things from excess heat and prevents condensation.

Sidewall Construction

Shallow Groove Siding adds strength and durability to the structure while double stud construction in the sidewalls prevent separation and gaps.

Door Features

Our standard door features add security, durability, and life to your Cook Portable Warehouse. Door features include storm chains, adjustable tension rods, heavy duty 6" hinges and a locking door handle.

SERVICE

At Cook Portable Warehouses, we are proud to be a 100% full service company. We not only build great portable buildings, we also control every aspect of our business with the goal of delivering the highest level of service to our friends and customers.

Sales Professionals

Our sales professionals at each of our dealer locations are friendly and helpful and we are confident that they can help you find the perfect building for your needs. If you would like to visit or contact a Cook Portable Warehouse dealer in your area, our [locate-a-dealer tool](#) can help you find the locations closest to you.

Free Delivery

We build each and every one of our buildings in a quality-controlled environment and deliver the unit to our customers fully constructed. Our delivery drivers will set-up the building, level it and make sure you are completely satisfied with its placement.

Our normal delivery time is 7-10 working days from the date the order is processed at our corporate office. Cook also offers free site checks for potential customers. This no cost service will help confirm that your location is right for a portable building and could save you money and time.

In-House Financial Team

Our friendly in-house financial team makes buying or renting a Cook Portable Warehouse simple and hassle-free.

PEACE OF MIND

All of our buildings are covered by 3 great warranties and our lowest price guarantee, so you can have peace of mind knowing that your investment is guaranteed for years to come.

Lowest Price Guarantee

Every building we sell comes with our Lowest Price Guarantee. Simply stated, if you find any same-size building offering all the Cook features listed on our [Dare to Compare Checklist](#) at a lower advertised price, now, or even up to six months following your purchase, we will be happy to reduce our price by 50%

Lifetime Warranty on all Treated Components

The pressure treated lumber we use enables Cook to extend a lifetime warranty on every building against fungal decay or termite damage. If the pressure treated lumber in your Cook Portable Warehouse is ever damaged by fungal decay or termites, Cook will replace the damaged lumber free of charge.

50-year Siding Manufacturer's Warranty

In addition, our buildings feature Cook exclusive 19/32" shallow groove LP SmartSide siding. Because of the unique treatment process, this product carries a 50-year manufacturer's warranty

5-Year Fix-It-All Labor & Materials Warranty

Every Cook Portable Warehouse sold — new or pre-owned — comes with a 5-year Labor and Materials Warranty that covers defects in workmanship and materials during the first five years of ownership (normal wear and acts of God excluded).
