September 29, 2015

Mr. Daniel R. Judson
Commissioner of Insurance
Division of Insurance
1000 Washington Street
Suite 810
Boston, MA 02118-6200

Re: AIB Vehicle Rating Group Program – Vehicle Assignments Effective 10/15/2015

Dear Commissioner Judson:

This informational filing is for update to the AIB Vehicle Rating Group program for both Liability and Physical Damage.

The AIB Physical Damage Vehicle Rating Group program filed and approved effective 8/1/2010 (SERFF # AIBM-126597473) and the AIB Liability Vehicle Rating Group program filed and approved effective 1/15/2015 (SERFF # 129809535) included VRG assignments for vehicles for which the required information was available at the time. It is necessary to periodically obtain the latest information for vehicles that are not yet included in the program to update the VRG assignment list. This filing is for updates to the latest (July 1, 2015) distribution of VRG assignments that includes additional vehicles, corrections to originally assigned VRGs, and minor corrections to vehicle details shown in previously issued VRG pages. A summary memorandum of the updates is provided with this filing.

As an advisory filing, the VRG program and periodic updates cannot be used by an insurance company without filing with the Division of Insurance for adoption.

The certificate of compliance and DOI checklists are included as required.

Please contact me with any questions regarding this filing.

Sincerely,

A handwritten signature in cursive script that reads "Kim A. Barber".

Kim A. Barber
Vice President & Chief Actuary

101 Arch Street, Boston, Massachusetts 02110-1131

**Automobile Insurers Bureau
Vehicle Rating Group Updates – 10/15/2015**

Updates to the Vehicle Rating Group (VRG) assignments are proposed to be available as of 10/15/2015. The updates include the first assignments for model year 2016 vehicles and updates for model year 2015 to add vehicles.

Newly assigned VRGs are derived using the AIB model as described in the VRG program filing effective 8/1/2010 (SERFF # AIBM-126597473).

A. Physical Damage VRG Program - Model Year 2016

VRGs are newly assigned to vehicles for which sufficient information is available to apply to the AIB model. These include several series and body styles for the following makes:

Acura	Fiat	Jaguar	Mercedes-Benz
Audi	Ford	Jeep	Mitsubishi
BMW	GMC	Kia	Nissan
Buick	Honda	Land Rover	Porsche
Cadillac	Hyundai	Lincoln	Subaru
Chevrolet	Infiniti	Mazda	Volvo
Chrysler			

B. Physical Damage VRG Program - Model Year 2015

The following vehicle make is newly included with this update: Alfa Romeo

Additional vehicles for existing make/series/body styles include:

<u>Make</u>	<u>Added Vehicles</u>
Audi	A3 S3
BMW	Active Hybrid 5
Buick	Lacrosse Verano
Cadillac	ATS
Dodge	Viper
Ford	F150 Transit T-150/T-250/T-350
Freightliner	Sprinter
Hyundai	Accent Genesis Tuscon
Jeep	Renegade

<u>Make</u>	<u>Added Vehicles</u>
Kia	Sportage
Land Rover	Discovery Sport Range Rover
Mercedes-Benz	C63
Nissan	NV Titan
Ram	Truck
Subaru	Forester Impreza
Volkswagen	Touareg
Volvo	V60

Corrections are made to previously published VRG assignments for duplicate VINs that were assigned different VRGs for following vehicle:

	<u>Current</u>		<u>Corrected</u>	
	<u>Collision</u>	<u>OTC</u>	<u>Collision</u>	<u>OTC</u>
Audi S3 Prestige	33	34	32	32

Additional changes are included to correct vehicle information in the previous distribution; these changes are editorial only and do not change the currently assigned VRG for these vehicles:

- Audi A3: VINs previously shown as TDI now identified as 2.0 Premium, Premium Plus, and Prestige S-Line vehicles; VINs previously shown as 2.0 Premium Plus now identified as Quattro Premium Plus; VINs previously shown as Prestige S-Line now shown as Prestige Quattro S-Line.
- Dodge Charger: Scat Pack was previously shown as Super Bee.
- Hyundai Gen 3.8L/3.8LR-SP/3.8LUlt was previously shown as Genesis Coupe 3.8L.
- Kia Sedona: trim detail added to series names.
- Toyota Tacoma: Access Cab/Trd Pro was previously shown was Access Cab; Double Cab/Trd Pro and Prerunner Double Cab were previously shown as Double Cab.

The vehicle listings for model year 2015 have also been consolidated with this update to eliminate the listing of multiple versions of a make/series/body style that are

assigned the same VRG. In those cases, the detailed list of VINs is replaced with a single line indicating “ALL” for the VRG assignment.

C. Liability VRG Program

The following vehicles are new models assigned Liability VRGs with this update:

<u>Make</u>	<u>Added Vehicles</u>
Alfa Romeo	4C
Chevrolet	Cruze Limited Malibu Limited Silverado
Fiat	500X
Mercedes-Benz	AMG GT

Vehicle information has become available for model year 2016 vehicles for existing make/model/series with VRG assignments for previous model years. For these vehicles (listed on Exhibit 1) model year 2016 vehicles are assigned the same VRG as prior model years and are added to model year list shown on the VRG pages.
