Additional Information:

MERIT RATING PLAN

The Merit Rating Plan premium adjustment for each auto is based on the driving records of the operators listed on your policy. Premium adjustments can result from incident-free driving, or from a Merit Rating Board report of an at-fault accident or traffic law violation during the five year period immediately preceding the policy effective date. The Merit Rating Board code and class of each operator are used in assigning the operators to the autos in the manner described in the rating manual.

PART 5 – OPTIONAL BODILY INJURY TO OTHERS

The limits shown for this Part are the total limits you have under Compulsory Bodily Injury to Others (Part 1) and this Part. This means that the Compulsory limits are included within the limits shown for this Part and are not in addition to them.

PART 12 – BODILY INJURY CAUSED BY AN UNDERINSURED AUTO

The limits shown for this Part are subject to adjustment. We will only pay for any unpaid damages up to the difference between the total amount collected from the automobile bodily injury liability insurance covering the owner and operator of the underinsured auto and the limits shown for this Part.

Check carefully that all operators of your auto(s) are shown. Your failure to list a household member or any individual who customarily operates your auto may have very serious consequences.

NOTICE: You must notify us of changes that have occurred prior to the renewal of this policy and during the policy period. It is a crime to knowingly provide false or fraudulent information for the purpose of defrauding an insurance company. If you or someone else on your behalf has knowingly given us false, deceptive, misleading or incomplete information and if such false, deceptive, misleading or incomplete information increases our risk of loss, we may refuse to pay claims under any or all of the Optional Insurance Parts and we may cancel your policy. Such information includes the description and the place of garaging of the vehicle(s) to be insured, the names of all household members and customary operators required to be listed and the answers given above for all listed operators. We may also limit our payments under Part 3 and Part 4. Check to make certain that you have correctly listed all operators and the completeness of their previous driving records. The Merit Rating Board may verify the accuracy of the previous driving records of all listed operators.

We will not pay for a collision or limited collision loss for an accident which occurs while your auto is being operated by a household member who is not listed as an operator on your policy. Payment is withheld when the household member, if listed, would require the payment of additional premium on your policy because the household member would be classified as an inexperienced operator or would require payment of additional premium on your policy under the Merit Rating Plan.
