3. ACCOUNT BILL PROGRAM

- A. Account Bill is designed to provide a convenient method of billing and record-keeping for our insureds who carry several different policies with us.
- B. The premium payments for each policy is based on the 10 payment plan selected in 2. above.
- C. A statement is sent to the insured that lists the policies on Account Bill.

The Account Bill Statement:

- 1. Itemizes payment activity on each of the insured's Account Bill policies.
- 2. Summarizes payment activity for all of the insured's Account Bill policies.
- 3. Indicates the insured's account balance, minimum amount due and payment due date.
- D. One account number is assigned.
- E. If the insured pays only a portion of the minimum amount due, the payment will be applied to the policies based on the pro rata method.
- F. The insured will only be charged one \$5.00 installment fee each time a statement is produced regardless of the number of policies billed together on one account bill.

4. DISHONORED CHECKS

- A. Any insured who submits a NSF (non-sufficient funds)/dishonored check during the policy period will be billed an additional NSF fee of \$25.00
- B. If the NSF/dishonored check represents payment for more than one policy, only one (1) NSF Charge will be required from the insured.
- C. The check that replaces the NSF check should be in the form of a bank check or money order and must contain the owed premium plus the \$25.00 NSF fee.

5. WAIVER OF PREMIUM

- A. Additional Premium Waiver: We will waive any additional premium of \$5.00 or less. This waiver occurs only at the time of the last installment payment.
- B. Return Premium Waiver: We will waive any return premium of \$5.00 or less. We will grant the return premium if requested by the insured.
- C. This waiver occurs only at the time of the last installment payment.
