GEICO GENERAL INSURANCE COMPANY

FILING MEMORANDUM

Specifically, we propose to introduce a new rule, Rule G-12, Pre-Insurance Inspection Plan, to the General Rules section for both GEICO and GEICO General. Pursuant to 211 CMR 94.06, this new rule will permit us to waive inspections in both companies when all of the following criteria are met:

1. the vehicle is insured on a policy issued by GEICO or GEICO General;
2. the vehicle is rated and registered in the Commonwealth of Massachusetts; and
3. the vehicle carries physical damage coverage.

Implementing this waiver plan will not have a negative impact on consumers; conversely, it will be to the benefit of consumers for GEICO and GEICO General to waive the pre-insurance inspection requirement for all vehicles meeting the above criteria.
