Re: AIB Vehicle Rating Group Program – Vehicle Assignments Effective 10/1/2017

Dear Acting Commissioner Anderson:

This informational filing is for update to the AIB Vehicle Rating Group program for both Liability and Physical Damage.

The AIB Physical Damage Vehicle Rating Group program filed and approved effective 8/1/2010 (SERFF # AIBM-126597473) and the AIB Liability Vehicle Rating Group program filed and approved effective 1/15/2015 (SERFF # 129809535) included VRG assignments for vehicles for which the required information was available at the time. It is necessary to periodically obtain the latest information for vehicles that are not yet included in the program to update the VRG assignment list. This filing is for updates to the latest (May 1, 2017) distribution of VRG assignments that adds vehicles to previously issued VRG pages. A summary memorandum of the updates is provided with this filing.

As an advisory filing, the VRG program and periodic updates cannot be used by an insurance company without filing with the Division of Insurance for adoption.

The certificate of compliance and DOI checklists are included as required.

Please contact me with any questions regarding this filing.

Sincerely,

A handwritten signature in blue ink that reads "Kim A. Barber".
