## About us.

IMI-A Global People Company (IMI) was founded 20 years ago to address the need for quality temporary placement, permanent placement, and executive searches. Since that time, IMI has grown to accommodate immediate employment needs in North America with agility and attention to detail.

Partners of IMI include a number of Fortune 500 companies such as Amazon, DHL, FedEx, Tesla, Levi's, Honeywell, etc. With the growing demand of workers in a rapidly expanding industry, IMI remains an expert in large-scale and niche employment solutions.

IMI'S strength is rooted in its ability to develop strong client-centric relationship. We work hard to offer dependable, innovative and comprehensive service focused on your specific needs.

By using our services, you will have access to a large pool of qualified individuals and proactive engagement team to continually meet your growth demands. Whether it is permanent placements, contract or executive searches, IMI has a solution to cater to your employment demands.
