Happy Memorial Day Weekend

Wishing your families and companies a safe and happy Memorial Day weekend.

COVID-19

The ITS Fiber team continues to serve our customers in Indiantown and are here to assist both residents and businesses with their internet and voice services as companies begin to open back up. ITS continues to practice safe Social Distancing at our customer service center and if we need to visit your home or business.

ITS Fiber "Heroes"

HEROES Work Here

ITSFiber

Throughout the Covid-19 pandemic challenges, ITS Fiber has been open and serving customers in person when needed while maintaining extreme safety measures.

Our Customer Experience and Technician teams have continued to work helping customers at our business office, doing installs or helping with technical issues at a customer's location.

In our minds, they are "heroes" -- taking more risks than our other staff members who don't meet with customers in person. We appreciate them all and their willingness to serve YOU and hope you appreciate their efforts.

TECHTIPS

FOR CONSUMERS:
Online Resources to Keep Young Brains Learning

Parents across the country were unexpectedly turned into homeschool teachers because of coronavirus. Now with summer break approaching, what's a mom or dad to do when their kids may not be able to do all the "normal" summer activities? Fun activities (and learning) doesn't have to stop while staying home.

Check out these 4 online resources to keep the young brains in your home growing!

FOR BUSINESSES:
Guide to Web Conferencing From Home

Has COVID-19 forced your office to go remote? Does your organization need a way to meet and conform to social distancing guidelines? Video conferencing is a great tool for staying connected. However, planning your first online meeting could be pretty

overwhelming. Don't worry, we've got you covered.

In addition to fast, reliable internet from **ITS Fiber**, here are a few tips to help you plan successful web conferences.

*Pick the Right Program
Get Good Video Conferencing Equipment
Be Mindful of Your Filming Area & Dress for Success
Check Your Internet Package*

ITS Fiber Awards College Scholarship through Indiantown Education Coalition

We were able to continue our tradition of giving an annual \$1,500 scholarship to a graduating senior who lives in Indiantown through the Indiantown Education Coalition. Although Southfork and Clark Advanced High Schools did not have their normal "Scholarship Night" events, scholarships were still awarded to the local Indiantown students in April.

ITS Fiber's Bill Hanna Memorial Scholarship is given each year in honor of Bill Hannah, who was a long-time employee of ITS and our sister company, Indiantown Company. Bill was a great supporter of education for disadvantage students and truly a community supporter.
