## ITS Fiber in the Community

### ITS Hosts Community Meetings About Fiber Network Expansion

In late January 2019, ITS Fiber hosted two community meetings with Indiantown residents from “Springhaven” and “Clements ville” areas to discuss and propose various options for potentially bringing fiber-optic services to their communities. These were two areas (among a couple others in our service territory) where ITS Fiber was not able to complete construction in our initial fiber overbuild done in 2008-2011.

## Robocall Challenge: Consumer Tips + Tricks

Although there is a place for receiving an automated phone message (boil water warnings, emergency or special outage notices from utilities) we can all get annoyed by too many “robocalls” on our landlines or cell phones from unwanted solicitors.

ITS encourages customers to register for the **Do Not Call** service provided by the FTC (Federal Trade Commission) to help stop these unwanted calls.

(<https://www.consumer.ftc.gov/features/how-stop-unwanted-calls>)

Additionally, we recently found a new video we'd like to share that gives some additional Tips and Tricks to avoid getting robocalls. Enjoy!
