

Understanding Speed Test Results

Testing the speed of your internet connection is easy, but it's also easy to misunderstand the results. Your devices — TVs, routers, smartphones, laptops, desktops, etc. — have different capabilities, and you can get different results on each one, even while using the same internet connection.

This is particularly noticeable to users taking advantage of higher speed packages, like the 200/200 Mbps basic service now offered by ITS Fiber.

ITS Fiber in the Community

ITS Fiber is Sponsoring the 2019 Indiantown Rodeo

ITS Fiber is sponsoring the 71st Annual Indiantown Rodeo. It will be held on Friday, October 18th – Saturday, October 19th at Timer Powers Park under their covered arena.

The rodeo is a Professional Rodeo Cowboys Association and Women's Professional Rodeo Association sanctioned event. It includes bareback and saddle bronco riding, barrel racing, bull riding, steer wrestling, and team roping. So come on out and enjoy all the fun and excitement - rain or shine!

ITS Fiber Sponsors Indiantown Chamber Breakfast

Local businesses and chamber members enjoyed breakfast in the newly opened Outpost Bar & Grille at Indianwood. About 60 people attended the event.

Jeff Leslie, ITS Fiber President/CEO, gave a presentation on some of the expanded services ITS Fiber offers customers. He focused his attention on how small business can benefit from Cloud Services.

ITS Fiber Sponsors Molly's House

ITS Fiber was one of the sponsors at the Molly's House Pirates & Pearls Garden Bash, held September 21st. Lesley Driver (far left in above photo) from the ITS Fiber Marketing Department attended the fundraiser. All proceeds from this extraordinary event went to benefit Molly's House.

Molly's House is a purpose-built Hospital Hospitality House located in Stuart that provides short-term, affordable accommodations for the families of hospitalized loved ones and hospital outpatients.
