

ITS Fiber in the Community

Thanksgiving Food Drive

Nobody should go hungry, especially over the holidays. There are nearly 400 Martin County residents who are eligible and in need of help this holiday season. Families with small children to the elderly come to the House of Hope pantries for assistance.

ITS Fiber employees and community members made food donations in our donation box located in our Customer Service office on Warfield Blvd.

All donated food items were delivered to the House of Hope in Indiantown on Thursday, November 21st.

Thank you to everyone who donated.
