

Senior .Net Developer

Mobile Accord is one of the world's leading mobile solutions companies. Mobile Accord operates mobile services in North America, Central Asia, and Africa connecting billions of people to multi-national corporations, aid organizations, and governments through their mobile phone with its GeoPoll services.

GeoPoll is a mobile polling platform that empowers organizations to conduct surveys through the mobile phone. GeoPoll is deployed in countries in Africa and Central Asia. The service gives organizations access to GeoPoll's proprietary user database which allows organizations to survey millions of people targeted by location and demographics. GeoPoll allows close to real time surveying, at no cost to the survey respondent, providing organizations the information they need, when they need it.

Mobile Accord is changing the world. We seek smart, dedicated, and passionate individuals to join our team, and help us improve the lives of citizens around the world through the mobile phone
