Dear Mike,

The Burnaby RCMP caught and arrested 2 thieves in my compound just after 4:00 AM this morning! Please pass my sincere thank you to the responding RCMP members and their dog team; as well as the 911 operators and your Sonitrol monitoring staff for their outstanding coordination.

We began using your Sonavision Live Monitored Video back in 2010 and in these 6 years we have seen the deterrent of your system dramatically reduce the illegal activity in our compounds... as well as multiple captures by the Burnaby RCMP when the thieves were dumb enough to enter our compounds. Again, please send a huge Thank You to the Burnaby RCMP for their great response!

Yours Sincerely,

Graham Trafford
