Dear Mike,

We installed your VERIFIED Sonavision Live Monitored Video back in May to protect our tire compound. In that time, we have had 2 break-ins to our compound – and the Chilliwack RCMP have arrested the thieves on both occasions! At 3:20 AM this morning, your system picked up the thieves entering through our west fence line... tracked their activity through the southeast yard, where the RCMP arrested them only a few moments later. Just outstanding work by all involved – your Sonitrol technology, your monitoring personnel, the 911 operators, and of course the responding officers from our Chilliwack RCMP detachment.

Please pass our sincere thanks on to your partners in blue on our behalf.
