Dear Mike,

Please send my sincere thanks to the Edmonton Police, their 911 operators and your Sonitrol monitoring personnel for their outstanding teamwork and coordination that resulted in the capture and arrest of the thief that broke into my compound early Saturday morning. The diligence of your Sonitrol staff staying on the line and communicating where this person was hiding within my compound when the Police arrived surely prevented the escape of this thief.

We have been using Sonitrol to protect our assets since 2012, and it's really satisfying to be able to write this letter. Again, please pass along a huge Thank You to the Edmonton Police and all others involved for their terrific performance!

Yours Sincerely,

Tim Yewchuk
