

## Winter Break Camp 2018

December 17-21 (9:00 a.m. - 4:00 p.m.)

Brookwood is excited to announce NEW programming during our Winter Break for current Brookwood students in PreK-Grade 6 during the week of December 17 - 21, 2018. Camp will run from 9:00 a.m. to 4:00 p.m. daily (with the option to drop off at school between 8:00 - 9:00 a.m. at no additional cost).

### **PreK and Kindergarten Program**

#### **Morning Programming--Soccer/Creative Movement, Lego, Cooking**

**Coach Mo Elsayed, Evelyn Burke, Chloe Johnson, Christina Carman; Instructors**

Students will begin their day working on themed LEGO building projects with experienced instructors. During their second hour on campus, children will get active under the professional eye of highly trained coaches and teachers as they try their hand at soccer (M, W, F) and creative movement (T, Th). Finally, Christina Carman from Blossom Cooking will whip up some yummy dishes with the participants during the final hour of the morning leading up to lunch.

#### **Afternoon Programming--Art, Choice Play, Gym/Outdoor Games**

**Allie Slattery, Instructor**

During this time, children will also get some much needed quiet time after a busy morning. Following that, they will have options to craft, go outside, play freely, and much more. There will be a structured art activity offered each afternoon as a fun, organized game. Campers may participate if they like, or they may choose to take part in other activities within the classroom.

*Snacks will be provided daily (let us know about any allergies or dietary restrictions), but **children will need to bring their own lunches**. Reminder: Brookwood is a nut-free campus.*

### **1st through 3rd Grade Program**

#### **Morning Programming--Soccer/Creative Movement, Lego/Rubik's Cube/3D Printing, Cooking**

**Mo Elsayed, Evelyn Burke, Chloe Johnson, Melissa Moore, Rich Lehrer, Christina Carman; Instructors**

Campers will have the unique opportunity to work with Brookwood's 3D printing equipment as instructed by our resident expert, Rich Lehrer (M, T). Additionally, Upper School student leaders (under

the watchful eye of Teaching Apprentice Melissa Moore) will introduce younger children to the tricks and twists of the Rubik's Cube (W). Students will work on themed LEGO building projects with experienced instructors and also have an opportunity to get active under the professional eye of highly trained coaches and teachers as they try their hand at soccer (M, W, F) and creative movement (T, Th). Finally, Christina Carman from Blossom Cooking will work with the participants to create yummy new dishes for an hour each day.

### **Afternoon Programming--Expert Architects, Safari Adventure, Movie (Friday)**

**Right Brain Staff, Anya Ciarametaro; Instructors**

**Expert Architects--1:00 p.m. - 4:00 p.m.**

**Right Brain Staff**

The sky's the limit in Expert Architects! In this math, writing and presentation class, students each serve as president of a new architectural firm and are tasked with designing and building the city's next skyscraper. Students study a kid-friendly history of skyscrapers and create a blueprint of their own stylized tall building. They then must weigh other considerations including the environment, traffic and surrounding buildings using Google Earth to find the perfect location for their project. Our Expert Architects create a three-dimensional model of the structure and present their work to invited parents. See a full curriculum preview: [rightbraincurriculum.com/expertarchitects](http://rightbraincurriculum.com/expertarchitects)

**2nd & 3rd Grade: Monday/Tuesday Afternoons**

**1st Grade: Wednesday/Thursday Afternoons**

**Safari Adventure--1:00 p.m. - 4:00 p.m.**

**Anya Ciarametaro, Instructor**

IT'S ADVENTURE TIME. Join Miss Shimmy this December break for a chance to get off campus and jump, jump (and climb) around! We will venture to Sky Zone in Danvers and BeanStalk Adventure Ropes Course in Reading to have, what Miss Shimmy likes to call, "too much fun." Each group will get a chance to experience *both* adventures on back-to-back days.

**1st Grade: Monday/Tuesday Afternoons**

**2nd & 3rd Grade: Wednesday/Thursday Afternoons**

*Snacks will be provided daily (let us know about any allergies or dietary restrictions), but **children will need to bring their own lunches.** Reminder: Brookwood is a nut-free campus.*

### **4th through 6th Grade Program**

#### **Wild Web Design--Full Day Programming**

**CodeREV Staff, Instructor**

Students create their own unique websites from the ground up, using html, CSS, and JavaScript. They can design their website about whatever interests them: a hobby, a business, a social impact cause, or their friends and family. Point is, they learn to code something useful and interesting and have fun in the process. They also gain the skills of learning to think like a developer as they design and plan their site

based on user interaction. They even get to host their site using a CMS at the end of the class, and can take their site home to continue working on it on their own, and show off to friends and family!

*Snacks will be provided daily (let us know about any allergies or dietary restrictions), but **children will need to bring their own lunches.** Reminder: Brookwood is a nut-free campus.*

**Fee Structure:**

<b><u>5 Days</u></b>		
<u>Child Number</u>	<u>Time</u>	<u>Cost</u>
<u>1</u>	<u>8:00-4:00</u>	<u>\$425</u>
<u>Each sibling</u>	<u>8:00-4:00</u>	<u>\$325</u>
<b><u>4 Days</u></b>		
<u>Child Number</u>	<u>Time</u>	<u>Cost</u>
<u>1</u>	<u>8:00-4:00</u>	<u>\$350</u>
<u>Each sibling</u>	<u>8:00-4:00</u>	<u>\$250</u>
<b><u>3 Days</u></b>		
<u>Child Number</u>	<u>Time</u>	<u>Cost</u>
<u>1</u>	<u>8:00-4:00</u>	<u>\$265</u>
<u>Each sibling</u>	<u>8:00-4:00</u>	<u>\$165</u>

If you are interested in having your child attend Brookwood’s December Break Camp, please fully complete the form on the page that follows and return it to the office of the Director of Auxiliary Programming as soon as possible so staff members can accurately plan for the children who will attend. Please fill out a separate form for each child attending. **The deadline to register is December 7, 2018. If MINIMUM numbers are not reached by this date, we will be forced to cancel camps for certain age groups.**

Please direct any questions to Justin Zappia at [jzappia@brookwood.edu](mailto:jzappia@brookwood.edu).

**Registration Form for Winter Break Programming Dec 17-21, 2018**

Please fill out one registration form per child and **return to Justin Zappia by December 7**. Charges will be billed to Brookwood accounts. **Pre-registration is required for participation.**

Child's Name: \_\_\_\_\_ Grade: \_\_\_\_\_

In which program is your child interested?

Please note program costs below and indicate which program you would like your child to attend:

\_\_\_\_ 5 days of programming (8AM-4PM): \$425/sibling rate:\$325 each

\_\_\_\_ 4 days of programming (8AM-4PM): \$350/sibling rate:\$250 each

\_\_\_\_ 3 days of programming (8AM-4PM): \$265/sibling rate:\$165 each

**The above amount will be charged to your Brookwood account.**

All programs require students to bring their own nut-free lunch each day.

Which days would you like your child to attend? All **PreK-3rd grade** programs can be selected as 3, 4, or 5 day options. **4th-6th grade** Wild Web Design is a week-long program.

\_\_\_ **Monday, December 17**

\_\_\_ **Tuesday, December 18**

\_\_\_ **Wednesday, December 19**

\_\_\_ **Thursday, December 20**

\_\_\_ **Friday, December 21**
