

Brookwood's Upper School Distance Learning Plan 2.0

Schedule 2019-2020

Dear Students,

Below is the schedule for Brookwood's Distance Learning Plan 2.0. Here are the changes to the original schedule:

- We have added 15 minutes to lunch to allow for a longer lunch period. Your afternoon class, office hours, and PE are now at slightly new times (1:00 - 1:45, 1:45 - 2:30, 2:30 - 3:15)
- We have changed the schedule on Thursday to adjust for School Meeting. (Advisory is ten minutes and the first class begins at 9:00 to allow for a 9:45 - 10:00 break.)
- 7th Graders now have Online Literacy instead of a Study Hall during the Music / Art Block.
- We will discuss weaving in Buddies, Community Life, and Heron House meetings later.

Reminders:

- **“Office Hours”** is a time when teachers will be available to answer questions and offer feedback. Teachers will be responding to email and may connect virtually with groups or individual students. *Please email teachers first to see if they will be available during office hours for a zoom conference.*
- Check email and Google Classroom multiple times each day (except between 4:00 PM and 8:00 AM) and attend to the daily schedule, including when to unplug.
- On Mondays - Please check google classroom by 9:00 am. This is a day for asynchronous learning and to connect with teachers during office hours. Please follow Monday's schedule below.

Student Expectations:

- Brookwood's Mission in Practice and Empowered Use Policy will continue to guide online behavior during distance learning.
 - Do not post pictures or recordings of Brookwood's remote learning classes to social media or anywhere else on the Internet. Teachers may record a class session for posting to Google Classroom for students who could not be present or for students that want to review what a teacher said. Teachers ZOOM PMI numbers are only to be shared within the Brookwood community.
- Find a comfortable, distraction-free, appropriate area to work (like the kitchen table and if you are on your bed, please sit up); remove distractions (phones, pets, other technology besides your computer, etc.)
 - Take care of needs (bathroom, snacks) before/after a synchronous class.
 - Be aware of other people's surroundings that may be visible in the Zoom sessions. They may be different from your own. Practice compassion and don't make comments.
 - Don't change your identity or background during a zoom call.
- Attend to the daily schedule, including when to unplug
- Dress appropriately (uniforms are not required, but appropriate dress is).
- Put forth your best effort, trying to work within timelines and meet due dates; continue to ask for help or clarification as needed
- Students can contact the Brookwood Tech Team at Brookwood-tech-support@brookwood.edu for assistance with some technical issues
- Keep the focus on learning!

Please keep scrolling to find your schedule for this week and the following week
