

Tax Certification Services

One-time and On-demand Tax Payment Verification for Reverse Mortgages, Title Companies, and Originators

Accurate, timely verification of property tax payments is critical to loan origination and processing. NTS provides a one-time detailed search of a parcel or asset and returns a comprehensive 24 or 36-month tax payment report. Our experience and established relationships with over 26,000 taxing entities across the United States and its territories, Canada, and Mexico, enables us to rapidly assess payment status. 100% accuracy is guaranteed.

TaxQ has made our jobs easier. The system is easy to use and we get what we need in a timely manner. Everyone I worked with through National Tax Search has always been friendly and willing to help with any questions we have. Thanks for everything you do!
