## What our users have to say

*ExamFX helped me to learn the material. It was outlined perfectly and very organized. I very much enjoyed my learning experience with this program. I would definitely recommend it.*

Barbara - Kentucky

## Interactive Online Course

Interactive and expertly designed, our online course is the center of your candidate's learning platform; including rich content, chapter quizzes and simulated exam, helping provide certification exam success.

## Certification Exams

Candidates complete certification exams to earn their course credit hours. Our curriculum will prepare you to pass these exams, helping your candidates maintain their license and learn the latest industry updates in the process.

## State-Mandated Initial Training

Newly licensed candidates can fulfill their initial state-mandated training requirements with our catalog of courses such as annuity, long-term care, and anti-money laundering.

## New! Classroom Equivalent

Private, live lecture, continuing education courses can be scheduled upon request. Texas mandates insurance licensees complete half of the required credit hours in a classroom.

## Large Course Library

Available for one low price and accessible for 1 year. Our course library includes state required training and a variety of courses designed to keep candidates updated on industry hot topics.

## Flexible Credit Hours

Ranging from 2-12 credit hours, candidates can break up their studies into small increments or complete studies quickly with large credit offerings.

## Unparalleled Trainer Support

Our industry experts are available to answer questions that may arise during studying. We help keep users on track for success with our decades of experience.

Success Starts Here

The new ExamFX was formed by a merger with TesTeachers and ExamFX; this merger brought together two premier national training leaders of insurance and securities prelicensing and continuing education. Combining streamlined content, cutting-edge online tools and highly-predictive practice exams, we ensure candidates of all learning styles will be prepared for exam day.
