Mandated Training Designed by Experts

Your organization works hard to be a leader in the industry. We've created a catalog of courses designed to fulfill insurance state-mandated training requirements, classroom equivalents, annuity and long-term care certifications, and carrier required courses such as Anti-Money Laundering. Our courses are designed to be painless and quick to complete, making sure individuals in your organization can get back to servicing clients and growing your business.

Why should you choose ExamFX as your Insurance CE partner? Here are just a few benefits:

Express Completion

CE Library includes the higher credit hour courses needed to quickly complete license renewals. Take fewer courses with larger credit hours than other vendors offer, completing requirements faster.

Clear Directions

Our interwoven course navigation ensures you will know exactly what you need to do to complete your state requirements. Let us help you complete your credit hours, painlessly.

Stress-Free Exams

Mark questions for review in our certification exams and return to them before submitting to confirm correct answer. In states that allow it, review content pertaining to the question, easily viewing the exact section of the course the exam question is asking about.

Effective Compliance

Our industry leading compliance department ensures courses meet all completion requirements and are revised to meet all state regulatory updates. Avoid having to re-take courses due to non-compliance with other vendors.

Flexible Credit Hours

Ranging from 2-13 credit hours, candidates can break up their studies into small increments or complete studies quickly with large credit offerings.

Certification Exams

Candidates complete certification exams to earn their course credit hours. Our curriculum will prepare you to pass these exams, helping your candidates maintain their license and learn the latest industry updates in the process.

State-Mandated Initial Training

Newly licensed candidates can fulfill their initial state-mandated training requirements with our catalog of courses such as annuity, long-term care, and anti-money laundering.

Classroom Equivalent

Private, live lecture, continuing education courses can be scheduled upon request. Texas mandates insurance licensees complete half of the required credit hours in a classroom.

Large Course Library

Available for one low price and accessible for 1 year. Our course library includes state required training and a variety of courses designed to keep candidates updated on industry hot topics.

Mobile Compatible

We know you want to get the material and get started. Earn credits on-the-go with our mobile compatible CE course platform.

Unparalleled Trainer Support

Our industry experts are available to answer questions that may arise during studying. We help keep users on track for success with our decades of experience.
