What our users have to say

ExamFX was a great way for me to prepare for the Series 7! The self-guided study program allowed all the flexibility to fit into my work schedule. Using the chapter quizzes helped in focusing on what needed to still be mastered. And the focused review based on my practice exam results was the feature I found most valuable!"

Jason - Series 7

Learn more about our Pass Guarantee

We are so confident in our training program that we guarantee each candidate will pass his or her exam on the first attempt. If a candidate fails the state exam within three days after scoring 80% on the Guarantee Exam, we will refund the cost of the material.

Interactive Learning Portal

Our online portal is the center of our expertly designed learning platform; with rich content, videos and other important tools, we ensure success the first time.

Improved! Online Simulated Exams

Newly doubled question pools thanks to our merger; the Simulate Your Exam feature prepares users in a realistic, computer-based exam environment, building confidence and assuring success.

New! Readiness Exam

Our exclusive Readiness Exam provides a fresh exam tier to confirm readiness without false positives due to memorization of the tier one question pool.

Streamlined Study Paths

Our recommended study plans outline when to use each study feature, helping to ensure candidate success. Paths can easily be adapted to meet your organizations recruiting or onboarding schedules.

Live Online Training

Utilizing our content experts and online platform, this new option, gives users wanting a more hands-on learning environment, a cost-effective solution.

Unparalleled Trainer Support

Our industry experts are available to answer questions that may arise during study. We help keep users on track for success with our decades of experience.

Printed Study Materials

We provide printed study guides, flashcards and tip sheets that align to our training programs and assist in accelerated learning of the material.

The new ExamFX was formed by a merger with TesTeachers and ExamFX; this merger brought together two premier national training leaders of insurance and securities preclicensing and continuing education. Combining streamlined content, cutting-edge online tools and highly-predictive practice exams, we ensure candidates of all learning styles will be prepared for exam day.
