Enhanced Manager Tracking
Your candidates' exam training performance is essential on their path of becoming registered. Our Manager Tracking allows flexibility in monitoring individual study progression all in one place.

87%
Our Securities candidates report an 87% overall pass rate

1M
We have trained over 1 million users for their securities exams

26
We have been helping candidates pass for over 26 years

Interactive Learning Portal

Our online portal is the center of our expertly designed learning platform; with rich content, videos and a variety of study tools, we ensure success the first time.

Online Simulated Exams

The Simulate Your Exam feature prepares users in a realistic, computer-based exam environment, building confidence and assuring success.

Readiness Exam

Our exclusive Readiness Exam provides an additional practice exam question bank to confirm readiness and reduce question memorization.

Streamlined Study Paths

Our recommended study plans outline when to use each study feature, helping to ensure candidate success. Paths can easily be adapted to meet your organizations recruiting or onboarding schedules.

Live Online Training

Led by industry experts, our Live Online Training sessions give candidates a personal, hands-on learning experience, in a cost-effective solution.

Unparalleled Trainer Support

Our industry experts are available to answer any question that may arise during study. We help keep users on track for success with our decades of experience.

Printed Study Materials

We provide printed study guides, flash cards and tip sheets that align to our training programs and assist in accelerated learning of the material. All printed materials can be easily added to each package.

Securities Training Packages

ExamFX offers multiple packages that can be tailored to your organization's onboarding needs and schedule to meet your candidates' unique learning style. Contact your account manager to help you get started.

*Not all securities training programs are available in every package format

> ExamFX was a great way for me to prepare for the Series 7! The self-guided study program allowed all the flexibility to fit into my work schedule. Using the chapter quizzes helped in focusing on what needed to still be mastered. And the focused review based on my practice exam results was the feature I found most valuable!"
