

Referral Terms and Conditions

(subject to change):

All Bushtracks travelers are automatically enrolled in the Livingstone Club loyalty program after their first trip with Bushtracks.

You must have traveled with Bushtracks to be eligible to earn a referral gift.

The intention of this program is to reward you for spreading the word about Bushtracks and referring guests to us.

A \$300 Referral Gift Card is earned when a referral books a minimum seven-consecutive day safari. Only one Referral Gift Card is given per safari booked.

The first Livingstone Club Member to officially document a referral is the only party eligible for the Referral Gift Card.

A Livingstone Club member may not receive a Referral Gift Card for anyone who shares their address.

Home mailing addresses must be provided for the Livingstone Club Member and each referral (even when the preferred mailing address is a business or a PO Box).

A Referral Gift Card cannot be earned by commission-based agents or wholesalers.

The Livingstone Club members' earned Referral Gift Card does not expire.
