The Circus World Museum Foundation is proud to announce an invitation to join the opportunity to explore Budapest just before visiting Paris for the Winter Circus season and attending the International Circus Festival in Monte Carlo, the largest and most prestigious circus event in the world. The "Pearl of the Danube" reveals its treasures along the majestic Danube River, on the verdant Buda Hills, and in the charming alleys of the castle district. Its buildings and cultures make this city a true melting pot and incredibly contrasting. Highlighting this memorable visit to Budapest will be two spectacular evening performances at the Budapest Circus Festival.
