Ever wanted to copy the content of one SAP Business One document to another? or to MS Excel ? SAP business One allows you to copy table from document (such as A/P invoice or sales order) to another document. In addition, you can copy table from SAP Business One document to MS Excel and vice versa on the fly!

The following demo shows you how:

Available since SAP Business One 9.1, version for SAP HANA and SAP business One 9.1
