The product team for SAP Business One wants your input on how to make it better. Please submit your ideas for new features and functionalities that could improve this product. Also consider voting for other ideas. Votes by customers and partners help us to prioritize which ideas make the most difference to those who use the products.

Submitted ideas are reviewed during the next review period. Ideas that meet the criteria for delivery are then developed for an upcoming release of the product. For more details on this process, please see the [How This Works](#) page.
