

ADDITIONAL RESIDENT CARE REQUIRED

Your updated and current information is important to us so we may communicate and coordinate all of your condominium community services to you. Please fill in the following information and return it to the Property Management Office.

Suite Information:

Suite #: _____ Room #: _____ Community: _____
corporation number, name of condominium, address of condominium

As per the corporation's fire plan, the City of Guelph Fire Services Department requires that your Property Management Team and staff have a readily available list of Residents that require additional assistance to evacuate the building in case of an emergency.

It is critical to keep this information accurate and up to date. Therefore, if there are any occupants living within this suite/unit that require evacuation assistance, please provide their names and any specific instructions on this form below. It is your responsibility to update this form and update Property Management as and when changes occur.

Residents requiring Evacuation Assistance:

Name: _____

Nature of Condition/Disability: _____

Special Instructions: _____

Phone #: _____

Emergency Contact (must be a non-resident): _____

Emergency Contact Phone #: _____

Service Animal: Yes No
