

# PROTECT YOUR PEOPLE

A SAFE WORKFORCE WILL IMPROVE YOUR BOTTOM LINE.

**Hotel workers have a 53% chance of being assaulted on the job.**

Nuvola and React Mobile have joined forces to help hotels across the world keep their employees safe and change this statistic for good. React Mobile allows existing Nuvola customers to leverage a robust Employee Safety Platform and Panic Button solution to their existing technology portfolio.

**TIME SAVINGS**

Little to no training is required. The system is designed from the ground up for ease of use and fast integration.

**COST SAVINGS**

Minimal infrastructure keeps the cost of implementation low.

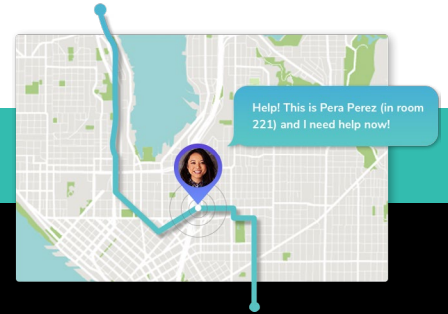

**PEACE OF MIND**

When people are safe they can live up to their full potential, making staff and guests happier.
