

Iron Chef Competition

Get your business cooking with our exclusive Iron Chef events. Your group will be divided into teams to face off in our own kitchen stadiums. Each team will be led by a professional chef to create a meal from a mystery basket of ingredients.

\$130/person

Group size: *Standard teams are formed to be 10-12 people per team, but we may have to form larger team sizes based on the actual cooking stations and chefs available in the kitchen selected. An additional chef and chef fee will be required for teams wanted formed smaller than our standard.*

Event time: 3 hours: begin with 30 minutes for appetizers and drinks upon your arrival, followed by 2.5 hours for cooking, dining and judging.

Compete

Each team and their chef will kick off the event with a creative brainstorming session strategizing their menu based on the items in their mystery basket.

Once each team's menu has been decided upon, team members will bond by delegating tasks and working together to create a delicious meal inspired by the mystery basket items.

Mystery baskets include different proteins, seasonal fruits and vegetables, and starches, and teams have access to our well-stocked pantry of herbs, spices, oils and vinegars.

An impartial Chopping Block judge will sample the finished products and determine the winning team based on taste, presentation and creative use of the ingredients. Reward your top chefs with a gift from our retail store!

We will provide dessert for your group. Please select one of the following:

- Cheesecake with Raspberry Sauce
- Seasonal Fruit Crisp
- Flourless Chocolate Cake

Take your team's competitive spirit to the next level. We can provide protein options that will inspire even more creativity and increase the challenge!

Judging

Your teams will be judged throughout the competition, taking into consideration such elements as creativity, plating/presentation, team cohesiveness during menu development and cleanliness of work stations!
