

Why Cursive Handwriting?

Lincoln Empowered™ Cursive Handwriting is a fun, interactive course that can be implemented in all classrooms (e.g., traditional, online, homeschool) and is the ideal elective for every elementary student.

- This 90-lesson course can be completed at a student's own pace.
- Students can experience multimodal learning through online videos and the accompanied workbook.
- Students are engaged when watching fun videos hosted by Charlie Checker.
