

# AI in Procurement

## *The Breakfast Briefing*

On 14th November HICX & Spend Matters will be hosting a Breakfast Briefing for senior procurement business leaders at the Gherkin. The session will be built upon the Raconteur report 'AI in Procurement' and will explore both the benefits of embracing AI and how best to build a procurement function that can take advantage of the coming digital transformation opportunities.

Date:

### ◆ 14th of November

8am to 11am

Destination:

### ◆ Searcys at the Gherkin (private room)

Breakfast provided with a beautiful view of the London skyline
