Compliance

To ensure you that our word on quality, safety and environment is followed through and delivered, Future Fitouts undergoes intense annual audits with SAI Global. To maintain this highest level of qualification we use stringent internal planned and random audit checks.

Future Fitouts is certified with SAI Global for the 'construction and project management of commercial, office, industrial and retail fitouts and refurbishments, including make goods and de-fits' across three (3) standards:

Quality Management System ISO 9001:2015

Future Fitouts has built and implemented our own in-house Quality and Project Management Systems, known as "The Future Fitouts Way". Our objective is to maintain the highest attainable level of quality and reliability, therefore we operate a Quality Management System which is certified with the requirements of ISO 9001:2015.

It is our intention to maintain and build on our reputation for quality by continually achieving a standard of service that complies with specifications, standards, statutory regulations and contractual obligations and by encouraging full worker involvement and commitment in the development and implementation of an exceptional quality system – "The Future Fitouts Way".

Environmental Management System ISO 14001:2015

Future Fitouts regards Environmental Management as a fundamental aspect of a sound business foundation. Management is committed to focusing on environmental protection and recognises how our products or services may affect the environment locally. We operate an Environmental Management System which complies with the requirements to ISO 14001:2015.

We are committed to monitoring and evaluating our Company's performance in relation to the objectives and targets we have set to identify areas for the improvement and continually improve our performance.

Occupational Health & Safety Management System AS/NZS 4801:2001

Leading the way in Work Health and Safety (WHS) within our industry, Future Fitouts applies quality and safety standards that have been established to protect our clients, our contractors, our workers and members of the public and to help us achieve our "Go Home Safe" objective.

The philosophy of Future Fitouts is to ensure that our work is undertaken safely, with a high level of integrity and quality. This is achieved by operating and maintaining an Occupational Health and Safety Management System which complies with the requirements of AS/ NZS 4801:2001, that covers the construction and project management of commercial, office, industrial and retail fitouts and refurbishments, including make goods and de-fits.

Welcome...

Welcome to Future Fitouts. It is our pleasure to present to you our Capability Statement!

Founded in 2010, Future Fitouts has continually delivered quality Fitouts to commercial and corporate clients, retails shops and boutiques and small to medium sized businesses across a variety of industries.

The goal is to "transform your commercial space" ensuring you experience a stress-free, professionally managed project. We guarantee you excellence in communication, service and delivery throughout your entire journey with Future Fitouts.

Our team is one of immense talent with a wide variety of skills and capabilities to deliver your project on time and on budget. We are 100% dedicated to continually improving our business to ensure we enhance your fitout experience.

You are invited to come on the journey with us and experience the "Future Fitouts' Way!"

Thank you once again, welcome to Future Fitouts.

Warm Regards
Your Fitout Specialists

Aaron Lowe
Director

"The only way to do great work is to **love what you do**"
- Steve Jobs

Company Overview

Giving Back

We love to give back and help others! From partnering with small business's helping them grow; supporting local charities; participating in community fundraisers and events; sharing cool ideas that other companies are doing to make a difference in the world or just doing our small part to give back where we can!

Every year the team at Future Fitouts makes an effort to make a difference to others and our planet when and where we can on both business and personal levels!
– The gift of giving and the small things can make a big difference!

"The act of giving without the expectation of something in return is the true definition of kindness"

B1G1 – Business for Good

At Future Fitouts we have been getting involved in the B1G1 Business for Good initiative that helps businesses give back and change the world around them. As part of this initiative, Future Fitouts has implemented moments of giving into the day to day business. Impacts are made for all new enquiries, when a fee proposal is sent out, when a project is completed and for other celebrations and milestones.

FUTURE FITOUTS™
transforming your commercial space ●●●

What are your requirements?

Come on the journey with us and have as much or as little involvement in your project as you would like!

Project Management

We offer a **'unique, complete in-house project management'** solution for your project. Future Fitouts will look after your entire project from start to finish including; coordination of skilled trades, programming and scheduling works, managing the project team, finishing on time and exceeding your expectations.

Commercial Fitout

Future Fitouts will work directly with your landlord / tenant / building manager and / or yourself to undertake a **complete new fitout** for newly leased or purchased premises.

Refurbishments

Tenancies in need of a refurbishment (minor or major) to create a new working environment, reconfiguration of an existing layout or a minor refresh to transform a space can be organised by Future Fitouts.

Make Goods & Defits

To comply with lease obligations, **Future Fitouts can 'make good' tenancies** and return them to their original position prior to commencement of the new lease. This may involve removing joinery and bulkheads, removing floor coverings and decommissioning services.

Interior Design

Work with our experienced interior design team to **bring your space to life**. From the initial concept, development of ideas and selection of finishes that will transform your space.

Maintenance

Maintenance works and repairs focus on your needs after a fitout is complete and the tenant has settled in. Future Fitouts is available to assist with installing additional office furniture and equipment (as required) including; whiteboards, projectors, shelving etc.

Furniture

Furniture can be **tailored to meet your requirements** and budget. Start with the basics; desks, chairs, reception counters etc. or custom design pieces of furniture to finish your space.

Company Services

With over 20 years of combined experience, Future Fitouts has a wealth of knowledge in the construction and fitout industry. Future Fitouts has successfully delivered over 600 projects across all types of businesses since 2010.

Tailored to meet your needs and budget, Future Fitouts offers you the complete fitout solution!

Working with industry professionals and qualified trades to ensure your project is completed to a high standard whilst ensuring all building codes and any other approvals or certifications required are met.

"...from the start of our discussions with Future Fitouts we were impressed by their thoroughness and attention to detail"

Transforming spaces since 2010

H&T Realty Office Refurbishment

HT Realty have a mission to help their clients reach financial freedom. They are a leading property investment firm.

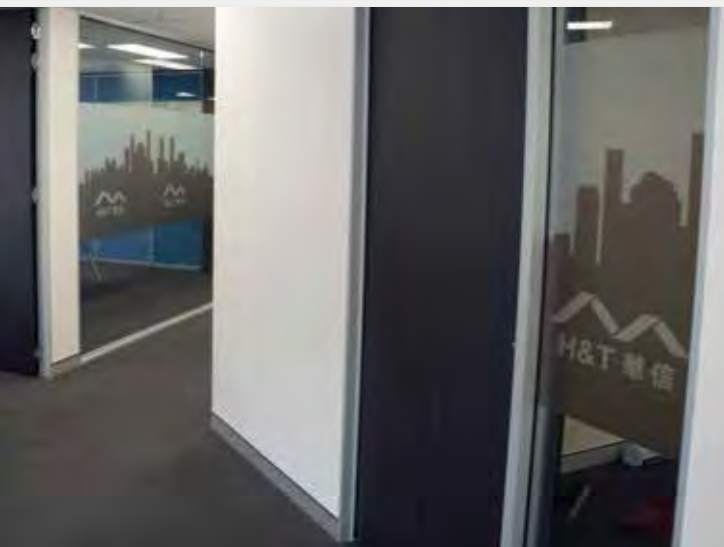

Future Fitouts worked closely with H&T Realty and the Building Manager JLL to **transform this space** in two stages to allow H&T to continue working throughout the fitout with little disruption.

Stage 1 saw the seminar room completed after demolition of existing offices. While stage 2 **revolutionized** the rest of the office to create a **world class space** for their team in Brisbane.

Duration: 9 weeks

Size: 600m² (approx.)

Location: L16, 215
Adelaide Street, Brisbane

International House Language School Fitout

Working again with the team from International House Brisbane, Future Fitouts was engaged to transform **4 levels** of space from the existing Fitness First Gym into their new Class 9B language school to suit up to 800 students across approx. 3000sqm of office area.

The complexities of the project involved special fire engineering solutions, and additional mechanical ventilation to suit the quantity of students across the floor. Works involved the installation of a new Café to the ground floor as well complete with all bespoke joinery, hydraulic services, electrical, feature lighting, refurbishment of 8 x bathrooms and the installation of a new amenities block on Level 1.

Through careful planning and management all works were completed in an extremely short timeframe of only 10 weeks from start to completion with a successful and mutually beneficial outcome for all involved.

Duration: 10 weeks

Size: 3000m² (approx.)

Location: Ground - L3,
116 Adelaide Street, Brisbane

C&K

With more than 100 years' in early childhood education and care, C&K is regarded as one of Australia's leading providers of childcare and kindergarten.

Future Fitouts worked closely with C&K Childcare to make sure the whole fitout process ran **smoothly and efficiently**. Future Fitouts works were extensive and included demolition of the existing areas ready to make way for the new bright and colourful kids playrooms, sleeping areas and bathrooms.

The giant **commercial kitchen** will get lots of use cooking up the yummy children's meals and the staff were also treated to a new staff **tea room and amenities area**.

A project we were very proud to be part of!

Duration: 4 months

Size: 1000m² (approx.)

Location: 136 Gympie Road, Strathpine QLD

Burbank Homes

Burbank Homes is one of Australia's leading builders, with over 30 years' experience.

Future Fitouts was engaged by Burbank Group of Companies to complete the Burbank Homes Queensland Head Office into a new 1400sqm premises. Completing a total design and construct solution for the client, Future Fitouts carried out the **full design package and fitout** of the new colour studio including offices and showcases all finishes for Burbank Homes.

Duration: 3 months

Size: 1400m² (approx.)

Location: 15 Lexington Road, Underwood QLD

Future Fitouts Recently completed the Burbank Queensland Head Office Expansion into a new 1400sqm premises in Underwood Brisbane. The new operation has been designed to allow for our expansion and sets a new standard for the business in meeting our customer's expectations and beyond.

We found Aaron and the team were easy to deal with and accommodating during each stage of the process. From the design phase through to dealing with any issues that arose on site, we were informed and Future Fitouts provided solutions.

Future Fitouts was selected as they offered the most appropriate total solution for our needs that incorporated all aspects of our operation from the design of the spaces through to access control and lighting.

Should we have another project requiring services such as Future Fitouts we would not hesitate in using them again.

Thank Aaron and the team for working with Burbank to complete our New Headquarters.

Adriano Rosson

General Manager

Herron Todd White Office Fitout

Herron Todd White is committed to providing property valuation and advisor solutions around Australia.

HTW engaged Future Fitouts to carry out a full fitout of their new office tenancy in Emirates House Brisbane following a positive referral from another valued client. Future Fitouts worked closely with the client from **concept to completion** carrying out all works including Detailed Designs, Coordination of Services Designs with Norman Disney & Young, Base Building contracted works and the complete Office Fitout.

Accommodating these requirements within a **critical client timeframe** and ensuring excellent standards of on site WSEQ the Future Fitouts Team provided skilled, dedicated and practical project delivery.

Duration: 6 weeks

Size: 245 m² (approx.)

Location: L19, 167 Eagle Street, Brisbane

HERRON
TODD
WHITE

@Workspaces Full Office Fitout

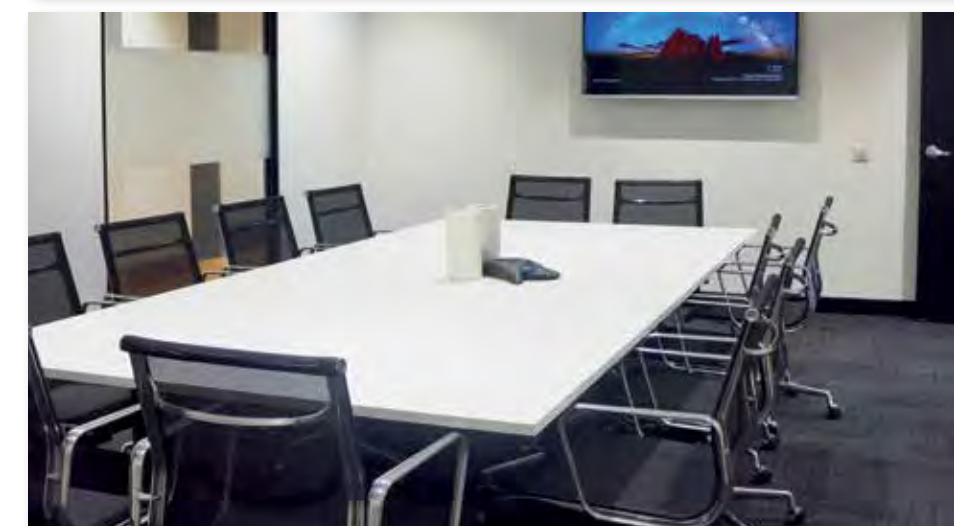

@WORKSPACES provide five-star office facilities in some of Australia's most iconic business locations.

Having worked with the Director of @Workspaces at a previous firm the Future Fitouts team were honoured to assist with the fitout and transformation of the new serviced offices in Queen Street. This fitout included a **base building upgrade** of the floor, **refurbishment of base building amenities** with **stone tops, porcelain tiles and new lighting**. Upgrade of services, **construction of 32 x offices, 2 meeting rooms, a boardroom, communications room**. The black powder coated aluminum frames set this fitout apart, and complimented the Western Red Cedar feature ceilings over reception and kitchen areas.

Duration: 10 weeks

Size: 750m² (approx.)

Location: L18, 324 Queen Street, Brisbane

Night Owl Head Office Fitout

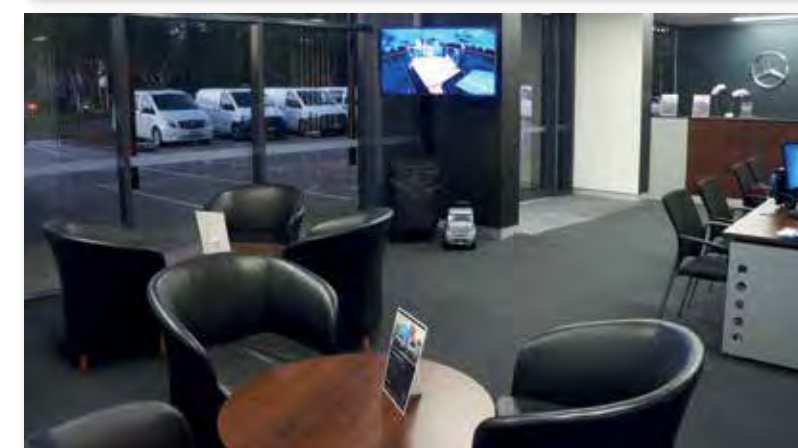

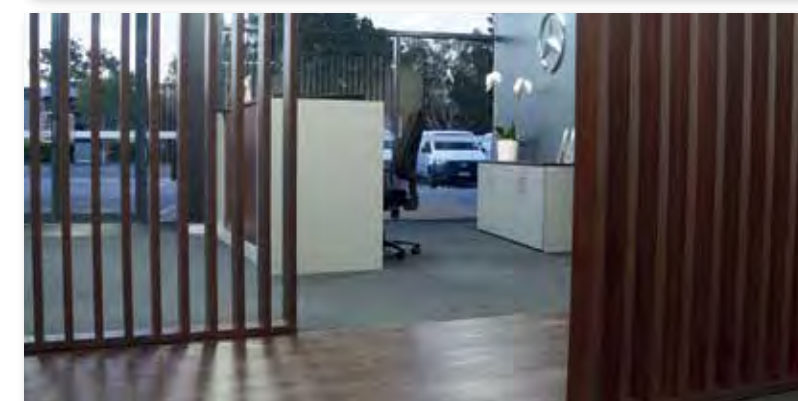

A Brisbane local convenience store that has grown into a recognised brand.

Future Fitouts worked closely with the architect and Night Owl to deliver a modern, sophisticated office environment with bright punchy colours to reflect on the Night Owl branding. Awesome result for the Kangaroo Point head Office.

Duration: 4 weeks

Size: 200m² (approx.)

Location: 1 Main Street, Kangaroo Point QLD

Mercedes (Pre - Delivery Facility)

Mercedes-Benz Brisbane offers an extensive range of New, Demonstrator & Pre-Owned vehicles to choose from, as well as our Light Commercial vehicle range.

Future Fitouts was engaged to carry out the fitout of the new state of the art Mercedes Pre-Delivery Facility in Eagle Farm. Works consisting of **new mezzanine floors**, 2 x **amenities blocks** consisting of PWD toilets, showers, **custom joinery**, **feature screens** and Mercedes spec finishes, resulting in a classy and sophisticated space.

Duration: 3 months

Size: 400m² (approx.)

Location: Fison Avenue West, Eagle Farm QLD

RETURNED & SERVICES
LEAGUE OF AUSTRALIA
QUEENSLAND BRANCH

RSL QLD Office Fitout

The Returned and Services League, Australia is a support organisation for men and women who have served or are serving in the Defence Force.

The Fortitude Valley branch approached Future Fitouts to carry out a complete refurbishment of their dated offices at St Pauls Terrace. The works were carried out in a staged timely manner in an occupied building and included; demolition of existing, exposed ceilings and services, polished concrete floors, glazed and solid partitioning throughout and furniture and all associated other finishes.

Duration: 2 months

Size: 450m² (approx.)

Location: 283 St Pauls Terrace, Fortitude Valley

SUNCORP

Suncorp Insurance Facility

"For over 90 years, Suncorp Insurance has been providing every day Australians with support and a helping hand"

Carrying out the refurbishment of an existing building in Eagle Farm to a state of the art Insurance Facility with a well known major Suncorp.

The project delivered by Future Fitouts, and designed by Ceccato Architects was inline with Suncorp's brand and included installation of a new mezzanine floor office area of approx. 500sqm, new architecturally designed skylight tunnels to feed light into the warehouse office areas, ceilings, electrical, lighting and data services, fire services, custom joinery, new disability compliant bathroom facilities, and high end furniture.

The result, a stunning environment showcasing a modern and welcoming design complete with commercial kitchen, training rooms, assessment areas and offices.

Duration: 12 weeks

Size: 1500m² (approx.)

Location: 101 Links Avenue, Eagle Farm

Shell QGC Experience Centre

Shell is one of Australia's leading natural gas producers, focused on developing Queensland's world-class onshore gas reserves.

Shell QGC embarked on a planned upgrade of the workspace in the Queensland head office at 275 George Street with the introduction of an activity-based working. The brief was to deliver an experience centre, that allowed Shell to showcase this to their stakeholders.

Future Fitouts worked alongside the project team including; BGIS, Shell QGC, Gensler Architects and Jacobs Service Engineers to deliver a showcase experience centre.

Works involved installation of floor, wall and ceiling finishes, glazing and other wall partitions, modifications of existing and new services and custom joinery.

Duration: 4 weeks

Size: 80m² (approx.)

Location: Level 3, 275 George Street, Brisbane

CHIC Management Office Fitout

Chic Management was founded in 1992 and is now recognised as one of the world's most respected agencies. Chic Management manages the careers of some of the world's leading names in modelling.

Completing the make good of the existing office in Edward Street and working with CHIC Management to design and complete a new office fitout in a heritage listed building in West End - West Village.

The fitout incorporated heritage features throughout and the exposed services highlighted the architecture of the building. The agency is now fitted out with a brand new training rooms, make-up studio, cat walk area, office, kitchen and reception space.

Duration: 4 weeks

Size: 200m² (approx.)

Location: Wilson Street, West End

Our Team

***YOU** are
our most
valued
asset!*

Aaron & Lauren Lowe

Managing Director

Aaron Lowe commenced the business after a number of years working for other reputable building contractors and gaining valuable experience. Aaron saw an opportunity to offer a point of difference to the fitout industry ... Listen to the clients' needs, deliver a tailored fitout and offer excellent service and value throughout the entire process. With this in mind, Future Fitouts was born in 2010.

Operations Director

Lauren Lowe joined Future Fitouts in 2012 bringing a wealth of experience from corporate positions within the property development and construction sectors. Lauren focus is to work "on" the business- improving systems, building long standing relationships, creating an attractive culture, building a team, strategic management and investing time for the future of Future Fitouts.

You! Our fabulous client at the centre of everything we do.

There is nothing more important to us than making you happy and knowing that your fitout exceeds your expectations.

We love transforming your visions into reality and watching as you walk through the doors of your new workplace for the first time! We treat you as if you are a member of our Future Fitouts' family. From the largest projects to the simplest fitout tasks, let us take the journey with you to transform your commercial space!
