

A testimonial for Aaron Lowe and the Future Fitout team on behalf of Yeronga Chiropractic and Wellness Centre.

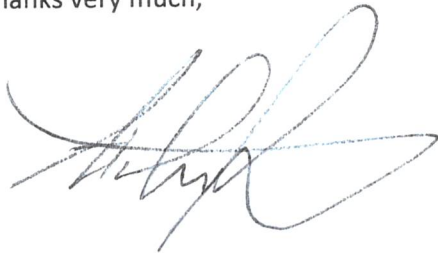

Having worked in many chiropractic practices during my career I had a solid idea of what environment I required in my own practice both professionally and aesthetically.

I contacted Aaron to obtain and compare quotes with other companies that had been recommended to me. Not only did Aaron impress us with his quote and time allowance, the feedback from referees was infallible.

Aaron and his team started in great time and made exceptional progress; coordinating and managing tradespeople, collateral services, and several errors on our part (!). They were professional, cordial, clean and polite.

We are very happy with the work they have done (and will continue to do with us), and we are eager to recommend them to others.

Thanks very much,

Dr Aidan McGuigan (Chiropractor)
